Message from the PTA Chair

Hi, I never thought I would be part of a PTA, let alone taking up the role of Chair. However, I can honestly say it's great to be involved! A true team effort between, parents, carers and staff, and the children love the events. The school is really grateful for our contributions, which goes towards enhancing every child's time at the school. It's a great place to meet new friends, share your skills and be part of something so worthwhile for the school.

Your children also think you are super cool as well! Lynn
